

# Support Your Student Musician!

The EMMS Music Department depends on the generosity of the community to help provide funds for instrument and equipment purchases, supplemental music purchases, and additional needs. By offering your support through a direct donation you can help to provide valuable assistance without the distractions of a traditional fundraising effort. If each family of a performing arts student donated \$20 we could easily fund all of our needs for the coming year.

You may send in a donation in any of the following amounts and have your donation acknowledged in each of the concert programs for the year. This is open to friends, family members, and members of the community at large.

Monies collected in past years have funded fabric for bow ties and cummerbunds, recording equipment and supplies with which we record concerts and produce tuning CD's, the purchase of new instruments, portable folio cabinets for orchestras and choirs, and supplemental music. Your direct donation will benefit all of the students in the music program.

**Please send your check payable to EMMS Music, attention Dr. Roberts.
